

**CALIFORNIA AWARDS PROGRAM (CAP)
FUTURE BUSINESS LEADERS OF AMERICA
SUMMARY OF CHANGES TO 2010 EDITION**

| New Events | Description | Starting Level |
|--|--|-----------------------|
| Management Information Systems | Team Event, Written Test, Top 5 proceed to Performance | State |
| Computer Game & Simulation Programming | Individual Event, Prejudged Topic, Top 10 proceed to Performance | State |

| Revisions/Modifications | Description |
|----------------------------------|---|
| Internet Application Programming | Retired |
| Electronic Career Portfolio | Must be web based. |
| Digital Video Production | Must be submitted on a DVD. |
| Accounting II | Accounting or spreadsheet software must be used. Prepared templates may be used for the production test. |
| Help Desk | Competencies have been modified. |
| Postmark Dates | All competitive event dates will continue to be postmark dates. However, the item(s) must arrive within one week of the postmark due date in order to be included in the competitive event. |
| Rating Sheets | Some rating sheets have been revised. Be sure to use current rating sheets. |
| Speaking Events | Microphones and podium/lecterns will not be provided for any event. |
| School-Site Testing | The word “production” is now being used to replace the word “skill” i.e., School-Site Production Test. |
| Miscellaneous | All Read me files should be submitted as hard copies. DVDs should be labeled using a felt tip marker. Where appropriate, media may be submitted on a USB thumb drive. The Alternate Policy for team events that was initiated last year will remain in effect. |
