

FINAL SLC 2021 OBJECTIVE TESTING SCHEDULE

- Students must test at the assigned testing session, be on Zoom during the test (webcam on, audio on) and compete in professional business attire.
- All students from the same school must test at the same time. If there was a conflict due to another competitive event or another school activity, a conflict testing session was set up. Check the events and affected chapters highlighted in yellow below to see if you are impacted.
- If you have a question on competitive events scheduling or believe you have an objective testing conflict that is **not** listed below, please contact Manuel Rapada at mrapada@cafbla.org.
