April 30: Awards and key emails

1. Scores, rankings and rating sheets for each student from your school
2. **A spreadsheet with all your top-10 SLC winners, as announced at awards (except Middle Level chapters)**

Please fill out the spreadsheet by May 7

1. Look for the tab with your chapter name.
2. Fill out the “NLC Yes or No” column for all of your top-10 SLC winners. CA FBLA will first look at the top 4 in each event, then check 5th-10th place if we still have open slots.
3. List any acceptable substitutions as “REMOVE Firstname Lastname, ADD Firstname Lastname.”

The image shows a screenshot of a spreadsheet interface. The top row of the spreadsheet contains the following column headers: Name, Organization, Group, Attendees, Place, Place Name, NLC Yes or No, and Substitutions (if allowed - see the Substitutions section at <https://www.cafbla.org/Page/191>). The 'Name' column is currently blacked out. The 'Place' column lists positions from 1 First to 7 Seventh. The 'NLC Yes or No' and 'Substitutions' columns are highlighted with a red border, indicating they are the focus of the instructions.

Substitutions section from cafbla.org

- **INDIVIDUAL/TEAM EVENTS**. If competing as a team that does **not** require a **pre-judged** component (see below), you may substitute one (1) member of a team originally comprised of 2 or 3 members. If competing as an individual, no substitutions are allowed, and their spot is forfeited to the next eligible competitor.
- **INDIVIDUAL EVENTS**. Substitutions are not allowed for individual events. If an individual cannot participate in the next level of competition, their spot is forfeited to the next eligible competitor.
- **PARLIAMENTARY PROCEDURE**. You may make substitutions as long as two (2) members of a team of 4, or three (3) members from a team of 5 remain on the team that advance to the next level of competition. **However, the maximum number of substitutions allowed is two (2).**
- **CHAPTER EVENTS**. Substitutions are allowed for chapter events with a presentation component if the chapter participates in the next level of competition.
- **PREJUDGED EVENTS**. Substitutions are not allowed for prejudged events. However, a team may drop a member if allowed in the event guidelines. If an individual or team cannot participate in the next level of competition, their spot is forfeited to the next eligible individual or team.
