

INDIVIDUAL PROJECT: LEADERS IN ACTION

COVID-19 EDITION

Project Deadline: Upload no later than February 25

The Leaders in Action Project is a California FBLA state project designed to help FBLA members build on their capacities to positively impact the society in which they live. As members of Future Business Leaders of America, it becomes our responsibility to engage ourselves within the community to truly show leadership in action.

Complete FIVE options from the list below:

- **OPTION 1:** Make a video on the importance of serving others in your community and provide specific examples of how members can serve. Discuss ways FBLA can implement other means of service within the organization.
- **OPTION 2:** Participate or donate to any supply drive (food, clothing, masks, hygiene products) sponsored by a local non-profit organization.
 - What did you donate and why?
 - How does donating support the community?
 - How do you plan to continue to support others through COVID-19?

Include pictures of you donating the item and a one-page write-up answering the questions above.

- **OPTION 3:** Research a nonprofit organization that contributes to a charitable cause.
 - Why did you select the non-profit which you researched?
 - How does the non-profit support the community?
 - How do you plan to continue to support this non-profit organization?

Submit a one-page write up answering the questions above.

- **OPTION #4:** Make a video about the FBLA organization to gain support for your local chapter and email it to a local service group or business.
 - How did you become acquainted with the service group?
 - Get feedback and response from chosen service group about your video.
 - What is your plan of action for service group to support your local chapter?

Submit your video and a one-page write-up answering the questions above.

- **OPTION #5:** Host a zoom meeting with students from a local middle school or high school in your community that does not currently have an FBLA chapter.
 - How did you select the school?
 - Get feedback and response from chosen school group about your presentation?
 - What is your plan of action to support this school group in establishing a local chapter?

Include a screenshot of your zoom meeting and a one-page write-up answering the questions above.

- **OPTION #6:** Be an active member of a non-FBLA leadership group, or commission in your local community (i.e.: Associated Student Body, Key Club, JSA, City Youth commission, etc.).
 - Describe the group you are a member of and why you choose to join.
 - Describe your role as a member of this group.
 - Describe how this group benefits the community and how it will impact your future college and career choice.

Include a picture of you attending a group meeting (virtual or in person), evidence of your membership (i.e.: membership card or adviser verification) and a one-page writeup answering the questions above.

- **OPTION #7:** Attend at least 4 CA FBLA sponsored webinars and submit a half page summary of what you learned.
 - Who was the speaker and what was their background?
 - What were the key points stated during the webinar?
 - How will you use the skills you learned in the future?
 - What questions do you have for any of the speakers?

Include a 2-page report addressing the questions above.

- **OPTION #8:** Meet virtually or in person with school administrators, local school board members or elected city officials to discuss concerns in your community and how your local FBLA chapter can be a positive resource to address these concerns. Include picture of you with the people you met virtually with and an outline of your points of concern and how they might be addressed by your local FBLA chapter.
